Brian, what is the subject on which you seek to examine Mr. Hong that was not already the subject of his deposition examination, the deposition examination of one of Netlist's 30b6 witnesses, or the trial testimony of Mr. Milton?

Best,
Andrew

Andrew,
Can you please answer my original question? Does Netlist intend to bring Mr. Milton to trial? If Netlist will not voluntarily bring Mr. Milton to trial, Samsung intends to issue trial subpoenas to Mr. Milton and Mr. Hong. Please confirm Netlist's position today. If Netlist is not bringing Mr. Milton to trial, please confirm that you will accept service of a trial subpoenas on Mr. Milton's and Mr. Hong's behalf.

Thanks,
